Hi,

Julie, I will be in Fall River Superior for 9am on a Marijuana case. I may not make it back in time for the meeting.

I started to remove items from the walls.

My only question for the meeting (if no one addresses it), is in regards to the cabinets and drawers. Does everything need to be removed from all the draws and cabinets during the renovations? I was unclear if the workers were just refinishing the exterior only.

I just want know how to organizing glassware stuff during the packing and storage.

Thanks  
Annie
